

2017 NEW PROGRAM UPDATE: JORDAN

Gift of Life Amman has been providing hope to Middle Eastern children with heart disease since 2007. In 2016, Gift of Life International helped coordinate a Rotary Global Grant, which will provide funding for four training visits to Al Khalidi Medical Center in Amman, Jordan. Chain of Hope UK will provide supplemental funding to help support this effort.

This initiative will provide lifesaving heart surgeries to 40 children from Jordan, Palestine, Iraq and United Nations Syrian refugee camps. Additionally, visiting training teams will transfer skills to the local healthcare professionals.
