

## 2017 COUNTRY OF FOCUS UPDATE: THE PHILIPPINES

Gift of Life International receives more requests for help from parents of children with heart disease in the Philippines than any other country around the world. In an effort to respond to the tremendous need, we have partnered with the Rotary Club of Makati West Gift of Life Program to coordinate surgical missions to the Philippine Children’s Medical Center in Quezon City and with the Rotary Club of Cebu West Gift of Life Foundation to coordinate missions to the Doctor’s Hospital.

In collaboration with our partners, we are developing a strategy to help the countless numbers of Filipino children waiting for their second chance at life.
