Dear Partners in Caring:

Gift of Life International is proud to partner with you in providing hope for children in need throughout the world who have heart disease. The Gift of Life Global Network we are a part of provides care to over 1,000 children per year from emerging countries who otherwise would not have access to this lifesaving care.

In Loving Memory

Love Faela

God saw her getting tired, a cure was not to be. He wrapped her in His loving arms and whispered ‘Come to Me.’ She suffered much in silence, her spirit did not bend, She faced her pain with courage, until the very end. She tried so hard to stay with us but her fight was not in vain. God took her to His loving home and freed her of her pain.
