Healing Little Hearts in Jordan

February 29 - March 6, 2020

Gift of Life International Mission Report

14 Little Hearts Healed

Al Khalidi Medical Center
Amman, Jordan
The March 2020 Medical Mission to Al Khalidi Medical Center in Amman, Jordan provided hope to 14 Middle Eastern children and their families. A total of 16 procedures were completed – many of these of a very complex nature (11 surgeries, 3 interventional catheterizations and 2 diagnostic catheterization). Sadly, little Seilina passed away despite the efforts to heal her little heart. This lifesaving mission was sponsored through Rotary Global Grant GG1871929. Our heartfelt thanks to all grant contributors for their partnership: Rotary Clubs of Greenfield (International Partner), Amman-Petra (Host Partner), Fishers, Amman Capital, Amman West, Amman Jerash, Amman-Philadelphia, Amman Citadel, Amman, Amman Cosmopolitan, Aqaba, Gift of Life Amman, Rotary Districts 6560 and 2452. A special heartfelt thanks to Chain of Hope UK for their support.
