Thank you to all Rotary Global Grant sponsors including the Rotary Clubs of Cebu, Willingboro, Bridgeport, Newtown, Croton-on-Hudson, The Pelhams, Cape Coral Goldcoast, Paramus, Rotary Districts 3860, 7500, 1880, Gift of Life Rotary District 7500 Foundation, Gift of Life Los Angeles, Gift of Life 7490 Foundation, Gift of Life Long Island, Gift of Life Inc., Gift of Life Metro New York, Gift of Life of New Jersey, and The Rotary Foundation.
This second training mission under Rotary Global Grant 1867556 was truly that – a training mission. The visiting team spent each day conducting classroom style training on various topics such as Basic Lifesaving Skills, Cardiopulmonary Bypass, Patient Ventilation and more. At the same time, 16 children underwent catheterization procedures – 7 Diagnostic and 9 Interventional.

Gift of Life International is proud to continue this new initiative in Cebu with International Children’s Heart Foundation (ICHF), Vicente Sotto Memorial Medical Center (VSMMC), The Rotary Foundation and the Rotary Clubs of Cebu and Willingboro. In just the first two training visits, a total of 60 children have been treated and an additional 61 children have been screened and prioritized for treatment. Quite a remarkable start to this new venture to heal little hearts in Cebu, The Philippines!

The children treated during this mission had a very special visit from a very special person. Filipino SuperStar, Nadine Lustre spent time with the children and their families and learned about Rotary and Gift of Life and how she could make a difference by supporting our efforts to heal these precious Filipino hearts. A huge, heartfelt thank you to Nadine Lustre for all your love and support.

Our sincere thanks to all Rotary Grant contributors for helping us to bring hope to these children and their parents. A heartfelt thank you to the members of the Rotary Club of Cebu for their warm hospitality and coordination of logistics for the mission team. We wish to express our gratitude to each member of the visiting team from ICHF and each member of the local team from VSMMC for your dedication to the children in need. Last but not least, a huge thank you to the many vendors who donated product and services which helped us make a lasting impact on 16 children and their families.
THANK YOU TO OUR VISITING TEAM FROM INTERNATIONAL CHILDREN’S HEART FOUNDATION

DR. RODRIGO SOTO
Cardiac Surgeon
