Healing Little Palestinian Hearts

During this mission week, the lives of 7 children and their families were forever changed. As their hearts were healed, each child and each parent experienced a feeling of joy and hope as they walked away into a brighter and healthier future.

Our sincere thanks to the visiting medical team from Ospedale Pediatrico Gaslini led by Dr. Francesco Santoro and Dr. Elena Ribera for healing the hearts of these precious children and for their dedication to healing little hearts around the world. We also wish to thank the medical professionals from the Palestine Medical Complex for your partnership and warm welcome.

A special thank you to the Flying Angels Foundation for sponsoring airline tickets for the Italian team.

Our heartfelt thanks to all who attended the 2018 Barefoot Beach Party Fundraiser. Proceeds from the event provided partial funding for this mission trip.
